6. AIRWAY, AIRBLOWN, AIPUMP: On 29 November, AIRWAY arrived in Athens from Khalkis for the regularly scheduled contact maintained with the three W/T standbys. AIPUMP is brooding to some extent over the death of his parents and the uncertainty of his wife's position.

7. [ ] cautioned AIRWAY to be careful of people who befriended them in Khalkis and asked them to maintain their patience a bit longer as he was attempting to enroll them in a bench-fitter's school sponsored by USEP through the WCC.

8. On the 11th of December the three men were called to Athens and are presently residing in a hotel while awaiting the completion of arrangements for their enrollment in the bench-fitters course given by WCC.
